

## **APPROVED HEALTH TRAINING PROGRAMS**

### **Required health training programs for body piercing technicians prior to permits being issued**

A body piercing technician must possess a certificate of successful completion, on an annual basis, of a course in bloodborne pathogens and body piercing infection control as approved by the Department, a current American Red Cross First Aid Certification, and a current Adult Cardiopulmonary Resuscitation (CPR) Certification obtained from either the American Red Cross or the American Heart Association. The Department-approved sources are listed below:

#### **American Safety and Health Institute (ASHI)**

- Bloodborne Pathogens
- Adult CPR
- First Aid

#### **Greenville Technical College**

(contact Belinda Storay at Greenville Tech at 864-250-8481 or E-mail: [belinda.storay@gvltec.edu](mailto:belinda.storay@gvltec.edu))

- Infection Control
- Bloodborne Pathogens
- First Aid
- Adult CPR
